LIGHT ROAST

## ETHIOPIA GUJI TADE GG ESTATE NATURAL

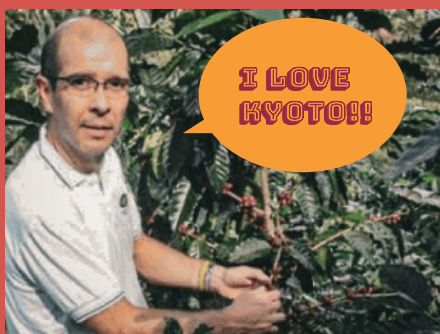

REGION : SHAKISO, GUJI  
ALTITUDE : 1,800-2,200m  
PRODUCER : SMALLHOLDER PRODUCERS  
FARM : TADE GG ESTATE  
VARIETY : HEIRLOOM  
PROCESS : NATURAL

RASPBERRY, RED APPLE, BLACK HONEY, DARJEELING

This lot is JAS-certified coffee. TADEGG Farm in Shakisso, Ethiopia, was founded by Tesfaye after a wildfire, aiming to restore the forest. Since the first harvest in 2006, he has worked with small farmers to enhance quality and expand production, now covering 521 hectares. The farm's name, "GG," comes from the village's history of gold mining, with coffee now cultivated as "Green Gold."

DARK ROAST

## COLOMBIA FINCA KYOTO MIX VARIETY WASHED

REGION : SANTA MARTA, SIERRA  
NEVADA  
ALTITUDE : 1,000M  
PRODUCER : JUAN PABLO CAMPOS  
FARM : FINCA KYOTO  
VARIETY : TYPICA, CATURRA, CASTILLO, COLOM-

DARK CHOCOLATE, ALMOND, DARK CHERRY

This lot is JAS-certified coffee. Kyoto Farm, located in Santa Marta, Sierra Nevada, was named by Campos, inspired by the elegance of Kyoto, Japan. Since the early 1990s, he has practiced organic farming, avoiding chemicals to protect the ecosystem while producing high-quality coffee. The farm is committed to reforestation and carefully cultivates rare varieties like Typica.
